Informational invitation letter

Dear colleagues!

On April 18-19, 2023, the All-Russian Scientific Research Institute of Soybean will hold an International scientific and practical conference "Modern problems, trends and prospects of scientific and innovative support of the agro-industrial complex" dedicated to the 55th anniversary of the formation of the All-Russian Scientific Research Institute of Soybeans.

Topical areas of the conference:

- *Genetics and biotechnology. Physiology, breeding and seed production of soybeans.*
- *Promising technologies of cultivation, production, storage and processing of soybeans. Agroengineering.*
- *Ecology and organic farming in crop production.*
- *Economics and management in crop production.*

Researchers, faculty, graduate students of research and educational institutions, managers and specialists of agricultural management bodies, agronomists and farm managers are invited to participate in the conference.

Forms of participation:

- *Oral presentation and publication of the article (face-to-face participation).*
- *Only publication of the article (remote participation).*
- *Participation as a listener (participation without presentation).*

To participate in the conference, one must submit a completed registration card (*Appendix 1*), an article and an abstract – by February 1, 2023 by e-mail: koo@vniisoi.ru with "Scientific and practical Conference 2023" note in the subject.

The conference materials will be published in the journal indexed in the database of the Russian Science Citation Index, the electronic version of the

publication is available on the website www.vniisoi.ru. Design of articles should be done according to the rules for authors (*Appendix 1*). The speakers will be awarded certificates according to the results of participation in the conference.

The publication of articles is free of charge. A participant of the conference can be a co-author of no more than 2 articles.

Within the framework of the conference, a competitive selection of articles is planned for publication in the scientific journal "Achievements of Science and Technology of the Agro-industrial Complex" (the journal is included in the list of the HAC (Higher Attestation Commission), in the database of Russian scientific journals Russian Science Citation Index (RSCI), summaries of articles are published in abstract journals on agriculture and biology, and also signed in the bibliographic databases Agris and Ebsco).

Appendix 1

REGISTRATION CARD OF THE PARTICIPANT
of the international scientific and practical conference

<i>Surname</i>	
<i>Name</i>	
<i>Middle name</i>	
<i>Date of birth</i>	
<i>Place of work, study</i>	
<i>Post</i>	
<i>Academic degree/title</i>	
<i>Place of residence</i>

<i>Mobile phone</i>	
<i>E-mail</i>	
<i>Title of the report</i>	
<i>Form of participation (plenary report/oral report/remote participation)</i>	
<i>Need for accommodation</i>	

Appendix 2

RULES FOR THE DESIGN OF ARTICLES

- Articles are accepted for publication in electronic form, indicating the contact phone number and email address of the first author of the article; send articles here: **koo@vniisoi.ru**.
- The volume of the article should be 7-16 computer-typed pages (line spacing – 1.5 p.), taking into account the list of references, figures and tables.
- The main text is written in the WORD program, without automatic hyphenation, in Times New Roman font, font size (kegel) – 14. All fields are 2 cm wide. Page numbering is continuous, the numbering number is located at the bottom of the page, paragraph indentation is 1.25 cm.
- The structure of the article includes UDC, title of the article, initials and surname of the author(s), academic title and degree, full name of the scientific institution, e-mail of the authors, main text of the article, list of references in accordance with GOST 7.0.5–2008; annotation (GOST 7.9-95) of at least 250 words, keywords.
- The list of references should be placed at the end of the article in the order of citation; in the text, the order number of the reference should be enclosed in square brackets.
- No more than three tables are allowed in the text of the article. Tables should be placed directly after the link to them in the text, or on the next page. Each table must have an order number.
- Figures (graphic material) should be presented as separate files with an image resolution of 300 dpi, done in distinct way, in a format that ensures clarity of transmission of all details. No more than three illustrations are allowed in the text.

The authors of the articles are fully responsible for their content. The Editorial Committee reserves the right to edit the submitted texts, without changing the essence of the issues, in order to achieve unity of style and form of the article, which are the prerogative of the author's composition of the publication.
